

Memento New Glory

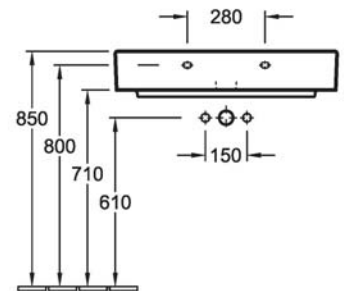

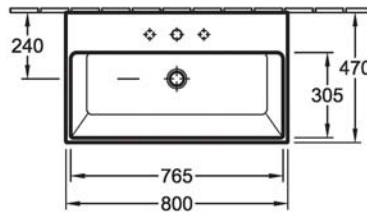

Villeroy & Boch

1748

Memento New Glory

Extravagance in its purest form. Experience forms and designs that couldn't be combined more harmoniously: the minimalist, straight lines of the MEMENTO washbasin and the intricate, tone-in-tone décor of MEMENTO NEW GLORY. A matt décor against a glossy background. The effect is exclusive and sophisticated. Unique quality and design, only from Villeroy & Boch.
